## The Olivia White Hospice Home Memorial Garden

### **Peace Within the Garden**

*There is peace within a garden,  
a peace so deep and calm  
That when the heart is troubled  
it's like a soothing balm  
There's life within a garden,  
a life that still goes on  
Filling empty places  
when older plants have gone  
There's glory in the garden  
every time of year  
Spring, summer, autumn, winter,  
to fill the heart with cheer  
So ever tend your garden,  
its beauty to increase  
For in it you'll find solace,  
and in it you'll find peace.*

*-Rosamond, Lady Langham*

## ***The Olivia White Hospice Home Memorial Garden and Grounds***

It is our hope to create gardens that will invite the residents of the home, their families and friends to spend time in them where they will find a quiet joy, surprise and delight.

As the Memorial Garden takes shape, a portion of the property remains in its natural forested state, while the land surrounding the home is landscaped.

Memorial bricks provide lasting tribute as they grace the floor of the garden gazebo and other stations in the garden. You may wish to dedicate a brick in honor or memory of, or in tribute to a special loved one. The bricks will be engraved in the option you choose.

Please call (928) 779-1227 for more information.
